What is the Book of Exodus about?

The name Exodus means ***going out***. The book is about the *going out* of the children of Israel from Egypt, where they had come in Joseph's time, to Canaan, the land God had promised to give to the descendants of Abraham. It tells of their **escape** from being slaves in Egypt, and their being formed into a nation with its own government and laws.

Exodus is important not only for the **history** of the Jews, but because of the **spiritual lessons** it teaches, for "*all these things happened unto them for ensamples*" (1 Corinthians 10:11). The great lesson God wants us to learn from Exodus is the **lesson of redemption**, or how God can save sinners and free them from the power of sin and Satan.

Exodus contains **exciting stories** of God's ten plagues on Egypt including the most important day in Israel's history – **the Passover**. The **main characters** in Exodus are Moses, Aaron and Pharaoh.

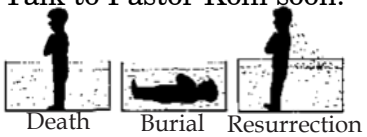
The baptistry can be filled any day. Have you been saved? Have you ever been baptized after your salvation? Talk to Pastor Kohl soon.



Every Sunday for the next seven weeks there will be a different prayer calendar in the bulletin. They might not all apply to you, but they can help you pray for others! If you missed last week's calendar, see the table to the right.

Musicians

There is room for more musicians on the platform to play with the congregational singing and specials. Music is available for every instrument.

Also, Wednesdays are always open for anyone who wants to sing or play a special! Please talk to Pastor Kohl a week in advance.

A lady was entertaining her friend's small son. "Are you sure you can cut your meat?" she asked, after watching his struggles. "Oh, yes," he replied, without looking up from his plate. "We often have it as tough as this at home."
