## Special Meetings

Evangelist Reuben Ewert will be with us for special meetings April 16-18, starting Resurrection Day (Easter).

Prior to these meetings, we would like to have a Spring Cleaning Week and clean the carpets, wash the windows, clean out the buses, re-stripe the parking lot, powerwash the church, etc. Details coming.

## Food & Fund Drive

The Charity Mission of Buffalo is having their annual Food & Fund drive during the entire month of March. Canned goods, non-perishable food items, paper products, hygiene products, and cleaning supplies are all needed. Please bring your donations to the church kitchen. Thanks!

Please pray for Pastor as he speaks there on Tuesday night.

## Trip to Israel

 Dr. Bill Hiltz and Pastor Mark Bohman will be directing a trip to Israel February 13-26, 2007. The cost is \$1675, and includes all travel, accommodations, and meals. They hope to spend the first day in Rome and the rest of the time in Israel. This is the same group Pastor & Mrs. Kohl went with.

## Gallup Poll

In 2004, a poll was taken on Darwin's Evolutionary theory. Of those questioned:

35% believe Darwin is supported by evidence,

35% believe Darwin is not supported by evidence, and

30% did not know enough to answer.

## 2006 Theme Verse

**Psal m16:11**

"Thou wilt shew me the path of life: in thy presence is fulness of joy; at thy right hand there are pleasures for evermore."

## Just a Reminder:

The balcony seating is for families or single adults. All youth and children should sit with or in front of their parents. This has always been the policy of the church. We want to keep families together here!

## City or Son?

For a long time, the Mohammedans had been laying siege to the capital of Spain. Courageously and skilfully, King Alphonso led the defense, but by some twist of fate, the attackers captured his son.

The besiegers made the most of their hostage. The Mohammedan sultan ordered a gallows built in full view of the capital. The young prince was forced to stand under the words: "Alphonso, either the city or your son."

What a decision for a father to make! Anxiously his advisors and officers watched the face of the their king. Would he give up the city and allow the enemy to slay or enslave his people? Or would he give up his own dear son?

They had not long to wait, for King Alphonso decided quickly. Back to the sultan went this message: "Let my son die, that my people may live!"
