"Any video is adverse to a child's learning, even educational videos" Ivy League Study report quoted on WBEN Radio, 08-07-07, 8 AM.

Pastor Kohl's note: Be sure your children can read and educate themselves. I have long believed that children should be kept away from most visual technology. They should use their own minds and form their own images. Reading accomplishes that.

Tent Raisers Needed

The Old Time Baptist Church has called us to see if any could help put up the tents for their Camp Meeting. They will be working all day on Saturday, August 25. Come anytime. Lunch and dinner provided for workers.

A University of Utah study has come to this conclusion, "Cell phone use (including text messaging) is as dangerous as driving while intoxicated." 07-10-07.
