## *Amazing Science in the King James Bible*

37. **Origin of Major Language Groups Explained** (*Genesis 11*)  
After the rebellion at Babel, God separated the people by confounding the one language into many languages. Evolution teaches that we all evolved from a common ancestor, yet offers not mechanism to explain the origin of the thousands of diverse languages in existence today.
38. **Healthy Dietary Laws** (*Leviticus 11:9-12*)  
Scripture states that we should avoid eating those sea creatures which do not have fins or scales. We now know that bottom feeders (those with no scales or fins) tend to consume waste and are likely to carry disease.

## An Excerpt from the *Christian Gentleman's Handbook*

Never pick the teeth, scratch the head, blow the nose or clean the fingernails in company.

The Christian host does not begin eating until all other guests are served.

A gentleman is careful not to introduce unpleasant topics of conversation at the dinner table.

## *Victory Verses: A Lustful Mind*

*" Among  
whom also we  
all had our conversation  
in times past in the lusts of  
our flesh, fulfilling the desires  
of the flesh and of the mind;  
and were by nature the children  
of wrath, even as others."*

Ephesians 2:3

Romans 8:6

*"For to be carnally minded is  
death; but to be spiritually  
minded is life and  
peace."*

What is your "besetting sin"?  
Do you have any verses  
memorized to help overcome it?

Jesus quoted Scripture when He  
faced temptation. We should too!  
(Matthew 4:1-11; Ephesians 6:17)

## *Jeremiah 18:7-8*

*"At what instant I shall speak  
concerning a nation, and  
concerning a kingdom, to  
pluck up, and to pull down,  
and to destroy it; If that nation,  
against whom I have  
pronounced, turn from their  
evil, I will repent of the evil that  
I thought to do unto them."*
