The Power of Old Hymns
 There's something about a fine old hymn
 That can stir the heart of a man;
 That can reach to the goal of his inmost soul
 As no mere talking can.
 It's more than the tune of the song he sings
 And it's more than the poet's rhyme -
 It's the Spirit of God working through these things
 That gives them power sublime!
 So we thank Thee, Lord, for the fine old hymns;
 May we use them again and again
 As we seek to save from a hopeless grave
 The souls of our fellow men!

Amazing Science in the King James Bible

Fact #79

Pleiades & Orion Described

(Job 38:31)

The Pleiades star cluster is gravitationally bound, while the Orion star cluster is loose and disintegrating because the gravity of the cluster is not enough to bind the group together. 4,000 years ago God asked Job, "Canst thou bind the sweet influences of Pleiades, or loose the bands of Orion?" Yet, it is only recently that we realized that the Pleiades is gravitationally bound, but Orion's stars are flying apart.

Fact #80

Safe Drinking Water

(Leviticus 11:33-36)

God forbade drinking from vessels or stagnant water that had been contaminated by coming into contact with a dead animal. It is only in the last 100 years that medical science has learned that contaminated water can cause typhoid and cholera.

An Excerpt from the Christian Gentleman's Handbook

A gentleman does not make noise while getting change from his pocket during the offertory prayer. A gentleman will have his offering prepared ahead of time.

A gentleman does not keep looking at his watch during the service.

Love has
nothing to do
with what you
are expecting to
get, it is what
you are expected
to give - which
is everything.
