## The Busy Man

If you want to get a favor done  
By some obliging friend,  
And want a promise safe and sure  
On which you may depend,  
Don't go to him who always has  
Much leisure time to plan;  
But if you want your favor done,  
Just ask the busy man.  
The man with leisure never has  
A moment he can spare,  
He's always "putting off" until  
His friends are in despair.  
But he whose every waking hour  
is crowded full of work,  
Forgets the art of wasting time,  
He cannot stop to shirk.  
So when you want a favor done  
And want it right away,  
Go to the man who constantly  
Works twenty hours a day.  
He gets a moment sure, somewhere,  
That has no other use,  
And fix you while the idle man  
Is framing his excuse.

Hearing Impaired Devices are available for all services. See any usher.
