The Impossible Can Be Done!

There is a sign in a General Motors plant that reads like this: "According to the theory of aerodynamics, and as can readily be proven by wind tunnel experiments, the Bumblebee is unable to fly. This is because the size of its wings in relation to the size of its body makes flying impossible. But the Bumblebee, being unacquainted with these scientific truths, goes ahead and flies anyway and gathers a little honey every day."

40 Ways to Use Gospel Tracts

(Part 1 of 4):

Here are some ideas of how you can put the "silent missionaries" to work. Seek the Holy Spirit's guidance for each tract placed, and pray for the Lord to bless the seed you have sown.

1. Place in greeting cards.
2. Pass out door-to-door.
3. Share with fellow campers.
4. Post on bulletin boards in public areas.
5. Put in pockets of used clothing to be given away.
6. Pass out at parades, festivals, and other special gatherings.
7. Hand out at stadium entrances before sporting events, concerts, etc.
8. Leave in laundromats.
9. Include in a mailing to people in your community - or around the world.
10. Give to attendants at parking garages, toll booths, etc.
