**What is the Book of Jonah about?**

The book of Jonah was probably written by Jonah himself, and the experiences of which he tells happened in the eighth century before Christ was born.

One of Jonah's prophecies is referred to in 2 Kings 14:25 as a definitely known utterance, and our Lord Jesus Christ was no less definite when He used **Jonah's experience in the belly of the fish** as a type of His own death and resurrection (Matthew 12:38-41; 16:4; Luke 11:29-30). It is interesting to notice the one thing sent and the four things prepared by God to teach Jonah lessons (Jonah 1:4,7; 4:6-8).

God has been very merciful to some of us in never letting money come rolling in upon us, for most men are carried off their legs if they meet with a great wave of fortune. Many of us would have been bigger sinners if we had been trusted with larger purses.

- Charles Spurgeon

The ability of God is beyond our prayers, beyond our largest prayers! I have been thinking of some petitions that have entered into my supplications innumerable times. What have I asked for? I have asked for a cupful and the ocean remains! I have asked for a sunbeam, and the sun abides! My best asking falls immeasurably short of my Father's giving; it is beyond that we can ask or think.

- J.H. Jowett
