What is the Book of Habakkuk about?

In this prophecy, Habakkuk is burdened by the question of **why God allows evil**. Some are anxious to get rid of evil because of the suffering that it brings, but Habakkuk wanted to get rid of it because he **loved and worshipped God**, who is holy and hates evil. The prophet knew that suffering would come upon Israel if God judged evil, but he **wanted God's will to be carried out even so**.

On Psalm 115:1

"Not unto us, O Lord, not unto us, but unto thy name give glory, for thy mercy, and for thy truth's sake."

Satan is skillful in teaching us how to steal our Master's glory. Yet, if ever we speak rightly, it is because we are taught of the Spirit and not because of our own wisdom. Even when we have had the undoubted help of the Holy Spirit, we are far too apt to attribute at least some little power to ourselves.

But a true servant of the Lord Jesus Christ loathes himself when he finds that this evil habit has fastened itself to him, and he cries, "No, Lord! Not to me, not to me, but to Your name give all the glory and praise."

We are to preach so as to glorify God, not to glorify ourselves; and the man who occupies the pulpit merely that he may manifest his own cleverness ought to be hurled from it immediately, for he has no right there whatever.

- Charles Spurgeon

Trusting God at His Word

Carl Rogers, the U.S. psychologist, was 22 years old when he entered Union Theological Seminary in New York in 1924. While there, he participated in a seminar organized to explore religious doubts. Rogers later said of the group, "The majority of members...in thinking their way through questions they had raised, thought themselves right out of religious work. I was one."

Overthinking is not faith, and brings great doubt. Doubt, being the enemy of faith, will cause you to quit. *"For all the promises of God in him are yea, and in him Amen, unto the glory of God by us."* (2 Corinthians 1:20)

You Can Trust God Fully!
