Thank you for attending and helping with the Annual Missions Conference this past week—it was one of our best ever! So far **\$182,620** has been committed for this upcoming year to help keep missionaries on the field all over the world.

Our goal is to receive **60** committed cards and **\$240,000** in promise this year. **\$210,000** is needed just to continue supporting our current missionaries. Any extra will enable us to take on those who have passed through this week and in the future. Please join us in this greatest of endeavors!

Thank you also for the many immediate needs of the missionaries that were met by the love and generosity of many! Unfortunately, one of the scheduled families had to cancel their visit with us last minute due to some health issues. We would still like to be a blessing to them, so if you can help with any of these needs please let the church office know:

*Step 2:* Write that amount on a Faith Promise card.

*Step 3:* Put the right half in the offering plate, keep the left half as a reminder.
