What is the Book of John About?

This narrative focuses on **Christ as Lord**—His deity—Jesus the Son of God. There is **no genealogy**, for the Lord has neither beginning or ending of days. Two other themes of the book of John are **faith** (some form of the word believe is found 99 times) and **eternal life**.

John records **six** miracles of Christ not found in any other gospel, including the raising of **Lazarus** from the dead. The most **famous verse** in all the Bible is found in John 3:16.

The Tree

Some people touch a tree and find but wood to feed a fire;
 Yet carpenters can feel a floor...
 or build a soaring spire...
 the sculptor looks upon its trunk and carvings fill the air,
 while others come and see the hearts which lovers whittled there.
 The farmer reaches for it's fruit,
 The traveler seeks its shade;
 the boy can see a raft of logs on streams of flowing jade.
 The outdoorsman will think of boats to blunt an ocean's rage;
 the pharmacist will see its roots, the publisher, a page.
 The bird finds on a beloved branch; but mothers see the beds.
 Wherein at nightfall, they will tuck their precious curly-heads.
 The artist grasps the golden flame that leaves of autumn toss;
 But some, redeemed by grace divine can see a Savior's Cross!

Season for Potholes

February is notorious for potholes in WNY. Try to avoid them by looking down the road to locate them. Without severely swerving, try to straddle the potholes or go around it (without endangering other drivers!). Hitting a pothole can potentially ruin a tire, bend a rim, or throw your car out of alignment. All of these can be very expensive to fix.

Books of the Bible: (February)

- Joshua
- Judges
- Ruth
- 1 & 2 Samuel
- 1 & 2 Kings
