The story is told of a preacher who went to his usual prayer meeting and found nobody present.
 He began to toll the church bell. Soon a dozen people came running to ask who was dead. "The church," replied the preacher, as he continued to toll the bell.

What is the Book of Acts About?

The book of Acts has been given the title "the acts of the **apostles**". It could be called "the acts of the **1st century church**" or perhaps more accurately "the acts of the **Holy Ghost**". The Holy Ghost is mentioned **53** times, more than any other book of the Bible.
 It covers the first **35** years of church history from the ascension of Christ around **30 AD** to just before the death of the Apostle Paul in **67 AD**. Some of the focuses are on the filling of the Spirit, prayer, evangelism, church problems and solutions, church planting, and church sent missionaries. The main character are **Peter** and **Paul**.
 The **first half** of the book records **home missions**—local church evangelism and planting. The **last half** of the book records foreign **missions**, especially Paul's 3 missionary trips. Keep in mind when reading this book that it happened during the **apostolic dispensation** of signs, miracles, and wonders.
