**Solutions To World Problems**

When Calvin Coolidge was president of the United States, an organization known as the Pocket Testament League prepared a beautiful, specially bound copy of the New Testament for the President.

A committee was sent to Washington to present the little book to Mr. Coolidge. The chairman is said to have made a lengthy and flowery presentation speech, while the President listened. Receiving the little volume graciously, Mr. Coolidge, in his characteristic manner of few words, lifting the copy of the New Testament in his hand, said: "Gentlemen, in this Book will be found the solution of all the problems of the world."

**How to help the church grow**

- 1) Sit toward the front or in the balcony. Visitors will feel much more comfortable if they can sit in the back at first.
- 2) Park in the back parking lot by the athletic field if you are healthy enough to walk in. Visitors don't know that exists, so they will be looking for a parking spot right behind the church.
- 3) Park carefully within the lines of the parking lot so as not to take up two or more spots

We have heard of many people who trusted God too little, but have you ever heard of anyone who trusted Him too much? – J. Hudson Taylor

**What is 2 Corinthians About?**

It is agreed that Paul wrote this second letter, probably at Philippi, to the Corinthians as an *apologist*. This does not mean that he had something for which to apologize! Certain charges had been brought against him, and he **defended himself** in these answers. His *apology*, in this sense, was a defense of his ministry and of himself as a servant of the Lord. This epistle shows that **God was his Defense and Comforter** amid all the unkind attacks that were made upon his character and conduct.

The letter does not divide easily into sections, but it may be roughly outlines as follows:

- Explanation** – 2 Corinthians 1:1-7:16
- Exhortation** – 2 Corinthians 8:1-9:15
- Vindication** – 2 Corinthians 10:1-13:14
