Books of the Bible: (April)

Psalms, Proverbs, Ecclesiastes, Song of Solomon, Isaiah

What is the Book of Philippians About?

Philippians can be divided into four primary sections. Paul had definite **concerns** that he wanted to express, and he also wrote to warn about **false teachers** who threatened the church. Many of Paul's letters can be divided into **theological** and **practical** sections, but Philippians does not follow that pattern. Paul's theological instruction is **woven throughout** the fabric of a highly personal letter.
