What is the Book of Titus About?

Titus, a young pastor, faces the unenviable assignment of setting in order the church at Crete. Paul writes advising him to appoint elders, men of proven spiritual character in their homes and businesses, to oversee the work of the church.

But elders are not the only individuals in the church who are required to excel spiritually. Men and women, young and old, each have their vital functions to fulfill in the church if they are to be living examples of the doctrine they profess.

Throughout his letter to Titus, Paul stresses the necessary, practical working out of salvation in the daily lives of both the elders and the congregation. Good works are desirable and profitable for all believers.

Don't Blame My Hands

Thomas K. Beecher despised deceit in any form. Finding that a clock in his church was habitually too fast or too slow, he hung a placard on the wall above it, reading in large letters: "Don't blame my hands—the trouble lies deeper."

That is where the trouble lies with us when our hands do wrong, or our feet, or our lips, or our thoughts. The trouble lies so deep that only God's miraculous power can deal with it. Sin goes deep; but Christ goes deeper and changes the heart and the will.

How to Have Friends:

I went out to find a friend,
 but could not find one there;
 I went out to be a friend,
 and friends were everywhere!

Wasting Time

Picture a madman hurling twenty dollar bills into the Atlantic, or an idiot sowing diamonds in a swamp, and you have a good view of how we are dispensing the golden vials of TIME which God places in our hands at each sunrise.
