What is the Book of 3 John About?

The Third Epistle of John, addressed to Gaius, a Christian, emphasized the important of the truth, or the Scriptures, in days of difficulty within the church.

John had evidently written an earlier letter (3 John 9) to this church, but a domineering brother names Diotrephes had refused to receive it and had also refused to receive other brethren.

This shows the beginning, even before the end of the first century, of attempts to spoil the simple order of the early church by ambitious men who tried to get too much authority.

King James Bible contrasted with the New International Version

In Luke 2:33 the Bible reads, "And JOSEPH and his mother marveled at those things which were spoken of him."

The NIV reads, "The CHILD'S FATHER and mother marveled at what was said about him."

The child's father? Was Joseph Jesus' father? No, or Jesus would have been a sinner just like us (Romans 5:12). Jesus was born of a virgin without the seed of a man.

His miraculous birth was an act of God, not of Joseph. Jesus is the only "begotten" son of God (John 3:16). If Joseph were His father, He could not save us.

The Greek word for Joseph (Ioseph) cannot possibly be confused with the Greek word for father (pater). The translators of the NIV must have made this change intentionally. That's wrong.

"I Hope I'm Going to Heaven"

Of all the things that you should be sure of, it's your eternal destiny. To say, "I hope I'm going to heaven" is like standing at the open door of a plane 25,000 feet in the air and when asked, "Have you got your parachute on?" answering with, "I hope so."

You want to know so—and you can, simply by obeying the gospel. If you repent and place your faith in Jesus Christ, He will give you eternal life and you can know that your eternity is secure.

"But put ye on the Lord Jesus Christ..." - Romans 13:14
