- The 2nd Amendment -

"A well regulated militia, being necessary to the security of a free state, the right of the people to bear arms, shall not be infringed"

Infringed—def: Disregarded, violated, to break or ignore the terms or obligations of law.

Is security at our schools so bad that we need to take guns away from law-abiding citizens? Let's look at the statistics:

There are approx. 100,000 public schools in America. They are open 5 days a week for 500,000 school days. They are open 40 weeks a year—that's 20,000,000 school days. There were 0 mass shootings in our public schools this year.

There are approx. 25,000 private schools in America. They are open 5 days a week for 125,000 school days. They are open 40 weeks a year—that's 5,000,000 school days. There was 1 mass shooting this year.

Public and private schools combined have 25,000,000 school days a year.

There were 6 children and 4 adults killed and 4 injured in 14 incidents this year. Only one was a mass shooter who killed 6 out of the 10 casualties at the covenant school in Nashville Tennessee. Schools are safe. It's the cities that are dangerous, where 97% of murders are committed with illegal handguns.

Jesus said, "*When a strong man armed keepeth his palace, his goods are in peace: But when a stronger than he shall come upon him, and overcome him, he taketh from him all his armour wherein he trusted, and divideth his spoils.*" (Luke 11:21-22)

It has been the bloody history of socialist and communists, etc. in the 1900's and into the 2000's to disarm their citizens and then slaughter the dissidents 5-7 years later. According to the congregational record they killed 135,000,000 of their own people in the 1900's who disagreed with their agenda. Their propaganda is prevalent in American institutions and government today. If the 2nd Amendment falls, then all 26 of the other amendments will fall like dominoes.

Please pray for your country and our beloved freedoms for the sake of liberty, our children, and grandchildren. Support those who support the 2nd Amendment.

Thank you—Pastor Kohl
