John Wesley required that his candidates for the ministry should possess Grace, Gifts, and Fruit. The founder of the Salvation Army stipulated that officers must possess the three G's—God, Go, and Gumption. By gumption is meant common sense.

The story is told of a certain professor who, in welcoming the new students for the year, said, "If you want education, WE are here to give it to you. If you want inspiration, GOD is here to give it to you. But if you lack common sense, neither God nor man can help you."

**Aim in Preaching**

A sailor just off to a whaling expedition asked where he could hear a good sermon. On his return from the church his friend asked him, "How did you like the sermon?"

"Not much, it was like a ship leaving for the whale fishing; everything shipshape; anchors, cordage, sails and provisions all right, but there were no harpoons on board."

**A Mother's Prayer**

"Lord, give me patience when wee hands tug at me with their demands.

"Give me gentle and smiling eyes; keep my lips from hasty replies. Let not weariness, confusion, or noise obscure my vision of life's fleeting joys.

"So when, in years to come, my house is still—no bitter memories its rooms may fill. Amen."
