### Sad Sign of the Times

The organization called "One Million Moms" is exposing another low in the moral decline of the Girl Scouts. They quote from the organizations website: "The Girl Scout LGBTQ+ Pride Month Celebration Fun Patch is designed for Girl Scouts of all levels and their leaders to honor LGBTQ+ history, celebrate their diverse cultures and identities of LGBTQ+ people, and acknowledge the many contributions that the LGBTQ+ community has made and continues to make across our nation. Girls and leaders have plenty of activities to choose from to earn this fun patch and we encourage Girl Scouts of all identities to participate."

*"Likewise also as it was in the days of Lot; they did eat, they drank, they bought, they sold, they planted, they builded; But the same day that Lot went out of Sodom it rained fire and brimstone from heaven, and destroyed them all. Even thus shall it be in the day when the Son of man is revealed."* -Luke 17:28-30.

*"Then said he unto the disciples, It is impossible but that offences will come: but woe unto him, through whom they come! It were better for him that a millstone were hanged about his neck, and he cast into the sea, than that he should offend one of these little ones."* - Luke 17:1-2.
