Principles of Bible Study

By Dr. Frank Charles Thompson
(Developed the Thompson Chain Reference Bible)

1.) The Spiritual Attitude Indispensable

It is of the utmost importance that readers, or students, should approach the Bible in a reverent attitude of mind, regarding it as the inspired Word of God, and not as an ordinary literary production.

It may be read, or studied, in the same spirit as a volume of Milton, Shakespeare, or some historical work and it will be found interesting and profitable; but literary students, or critics, however scholarly and persistent they may be, will never discover its choicest treasures.

As Paul said, *"But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him; neither can he know them, because they are spiritually discerned."* (1 Cor. 2:14)

I went out to find a friend,
 And no one could be found;
 I went out to be a friend,
 And friends were all around!
