JULY AND AUGUST, 2010

Dear Pastor and Church family,

Thank you so much for your faithful support through prayer and finances! Our summer has kept us very busy. In these past two months we've been able to work with the youth in both VBS and Summer Camp. Praise the Lord many were saved and others made decisions that will continually impact their lives. **During Junior Camp a family of Muslims came with our church. One precious young lady accepted Christ as her Savior!** Please keep her in your prayers, her parents are not strict Muslims but still she was afraid to go home and tell her parents that she had become a Christian. Her sister would not accept Christ for that reason. **Again, please keep these children in your prayers! Those who didn't get saved still had the gospel planted within their hearts.** We pray the Lord would continue to draw them to Himself.

The Lord also allowed us to participate in reaching New York with the gospel through local festivals and fairs. We had a great opportunity to pass out tracts and give the gospel at one festival where half a million people regularly attend. In the fairs, our church was able to set up a booth. Many tracts were passed out and a great number of people stopped by wanting to talk. **My wife and I were able to lead a few people to Christ! Many others listened, obviously under conviction but they weren't ready to accept Jesus as their personal Savior.** The Lord is still working in the hearts and lives of people!

The Lord has continued to supply meetings for us this summer! Thank you for all your prayers in this regard. We've been traveling throughout New York, Pennsylvania, and Ohio presenting our burden for the Philippines. Part of me wishes we were already in Cebu now but I know the Lord is using this time to prepare us and mold us into the vessels God wants us to be. God has shown us

over and over again that His timing is perfect.

PRAYER & PRAISE

- **We praise the Lord for added support!** Two more individuals have taken us on for support financially.
- Please pray for other churches who have promised support, that they would come through in God's time.
- And our continued request, that the Lord would continue to fill our schedule with meetings in 2011!

We are His and He is ours,

Chris Baran
