SEPTEMBER AND OCTOBER, 2010

Dear Pastor and Church family,

The summer has come and gone and now we're well into fall. Our schedule has been filled with meetings these past two months! We praise the Lord for His provision. **During this time we received a visit from some friends from the Philippines. Pastor Nem Lesada and his wife were a big help and encouragement to us when we took our survey trip back in February.** He is also my mom and sister's pastor. Needless to say we were very excited to see them again! We were able to take them to Niagara Falls and spend the day fellowshiping and enjoying God's beautiful work. This was an unexpected visit so we are very thankful for the time we were able to share together.

We were thrilled to be a part Faith Bible Baptist Church's missions conference this year! It was a particular blessing to be in our home church and spend a little time with the people. Because of our travels it's not often that we get to see them for more than a service. It was also nice to see a great number of missionaries we have come to know through deputation. It was a great reunion in many aspects. The week was wonderful and we came away from the meeting truly blessed. **We would like to thank Faith Bible Baptist Church for their faithful support through their friendship, prayer, and finances! They have been a continual friend and blessing to us!**

We are excited to report that the Lord has continued to raise our needed funds. Right now we currently have 55% of our support! Thanks to Calvary Baptist Church in Batavia, NY, Evangelical Baptist Church in Buffalo, NY, Southeast Bible Baptist Church in Penfield, NY, Heritage Baptist Church in Upper Sandusky, OH, Old Paths Baptist Church in Holley, NY, and three dear families! **Thank you so much for partnering with us financially. We count it a privilege to be an extension of your ministry endeavoring to reach the Philippines for Christ!**

PRAYER & PRAISE

- **Please keep my mother, Mila, in your prayers.** She recently had a mild stroke and had to go to the hospital there in Manila. She's home now and the doctors have been able to provide high blood pressure medication that seems to have helped.
- **Please continue to pray for us to book more meetings in 2011.**
- We praise the Lord for answering prayer and meeting our needs! Throughout our travels we've been preparing for our move to the Philippines. We've been buying items that we cannot get or afford in Cebu and have been keeping them in our home here in the USA. **Well, through the Lord's provision we're almost ready to send our fist box to Cebu! As you can imagine our excitement is high!**

We are His and He is ours,

Chris Baran
