Dear Pastor & Church Family,

January and February starts our busiest season at North Cebu Baptist Church. With camp in April, we are already working on decorations, programs, and schedules. This will be the 5th year our church has hosted summer camp and we are excited to see what God will do! Because camp has helped so many teens, we do everything we can to make it affordable for everyone. A majority of our young people do not have their family's support to raise money for camp. In fact, we work very hard just to persuade parents to let their teens come. Camp provides an invaluable week of encouragement and spiritual help for our teenagers! So while we keep the camper fee low, the actual cost for running camp is not! We ask you to pray and consider helping us in this needed ministry! As we prepare for camp this year, we are trying to raise a minimum of **\$5,000** just to make camp possible. *We want to thank the people who have already showed their support through their prayers and finances! Your investment will impact the lives of teens for years to come! For those who still want to give, please send camp sponsorships to our support address marked Lewis Camp 2015.*

Prayer & Praise:

- **We want to praise the Lord for two more Christians who were baptized!** The first was, Edmarie, a faithful young mother that was recently saved at our church. The second was, Genesis, a teenager who has been saved for some time but finally decided that he was ready to be baptized! **Baptism is not something we do to earn our way to heaven. It is a public proclamation of our faith in Jesus Christ! We thank the Lord for these blessings!**

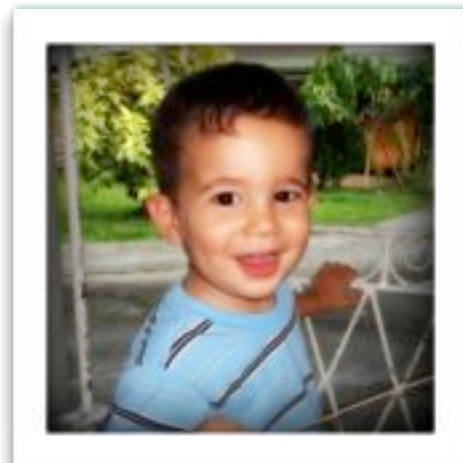

- Both Micah and I celebrated birthdays in these past two months. Our little guy just turned 2! **Pray for us as we continue to work on his paperwork here in Cebu. We are still trying to acquire his dual citizenship and US passport.**

We are His and He is Ours,

Chris Baran
