Dear Pastor & Church Family,

June was a month of testing for our ministry. **The Lewis family, our missionary partners, lost almost all their earthly possessions to a fire.** It was an electrical fire that started in the ceiling and spread to the rest of the house. We praise the Lord, that it happened during the day and no one was injured. However, everything in the house was destroyed. Appliances, furniture, clothes, books, church storage, and paperwork. Everything. Please keep Pastor Travis and Miss Angela in your prayers. When the Lewis' return from their furlough they will have to make a new start. Unfortunately, there was no insurance on the building or their things so the road ahead will be difficult. We also ask you to pray as we face opposition from the landlord. The owner of the house is blaming us for the fire and seeking compensation for the damage. Please pray that God would give us wisdom to handle the situation and that it would be resolved. It was just a few years ago that the typhoon, Haiyan, came through and ravaged the Philippines. Now, we are facing our own personal storm. *The destruction has been great but we know God is in control! We have already seen the Lord move on our behalf in many ways!* **We want to thank everyone who has prayed and offered their support! If you would like to help please send any donations to Word for the World, marked Lewis Fire Fund.** Our support address is:

Prayer & Praise:

- **Our little girl turned 4 in June!** We thank the Lord for this little fireball...she is such a blessing to our hearts. She is just growing too fast!
- **We have 12 students enrolled in Bible school this year;** our highest number yet! Please pray for them as they study God's Word and grow!

We are His and He is Ours,

Chris Baran
