Dear Pastor & Church Family,

We are excited to announce our plans for furlough! We will be arriving in the USA this coming 2016. We plan to be in the States for roughly ten months, visiting supporting churches and sharing our burden with new ministries. If you would like us to come and visit your church, please call us at **(716)240-0824** or email us at chris.baran@fbbc.com. We have already started to schedule meetings and will continue to make calls as we prepare for furlough. After serving on the field for four years, the time has come for us to return home. It will be a bitter-sweet moment for our family. On one hand we are excited to see friends and loved ones that we left in the US...on the other hand we will miss the ministry that God has called us to. Cebu has become our home and the people here have found a special place in our hearts! Please keep us in prayer as we make final preparations for our return to America.

It's official! Micah is a dual citizen!

We want to thank everyone who prayed as we processed his paperwork. He also has his American passport now, so he is ready to become a world traveler! Sometimes I forget that he has never been to the USA because he was born here in Cebu! He is going to love meeting our families and friends...and seeing snow for the first time! **Thanks again to all who prayed!**

Prayer & Praise:

• **The Lewis' are back in Cebu!** They were greatly missed and we are so happy to have them with us again! This return from furlough has been unlike anything they have experienced before...Because of the fire, they have been completely displaced. *Please pray that the Lord would provide a house for them!*

We are His and He is Ours,

Chris Baran
