John 3:16

Dear Pastor & Church Family,

Summer is here and all the ministries that come with this busy season. **This year we hosted our biggest week of camp ever! 264 campers attended and 7 of those teens were saved!** God worked in hearts and several teenagers made tremendous decisions for Christ. We are so thankful for the camp ministry and for all the people who worked behind the scenes to make it happen. **44 people from our church staffed at camp this year!** What a blessing to see our church family come together to serve Christ. *But our job is far from over; please continue to pray for us as we work with these young people.* Pray that that we would see teenagers take a stand against sin and grow in their walk with the Lord.

**We are also happy to report, that the paperwork for our house is in its final stages!** The bank is ready to release our loan later this week, making it possible for us to move into our home this coming June! We praise the Lord for everything He has done! *From providing funds to moving paperwork we have watched Him work miracles on our behalf.* It humbles me to know that I have a God who knows my needs and reaches down from heaven to provide them. **Again, we would like to everyone who helped us in this endeavor! Your prayers and support have meant so much to our family!**

## Prayer & Praise:

- **Please pray for us as we prepare for furlough!** We are looking at tickets and hope to fly to the USA in July. We are going to be busy in these upcoming months! Pray for us as we move into our new home and schedule meetings!

We are His and He is Ours,

*Chris Baran*
