Dear Pastor & Church Family,

We were blessed by another fun summer ministry. Vacation Bible School is a little different here at North Cebu Baptist Church; *instead of bringing the children to VBS we bring VBS to the children. We go to their areas, teach them bible truths, and invite their families to church!* This year we had multiple teams go into different areas and together we were able to teach over **4,000** children! *This is a great way to meet new families! The first Sunday after VBS several mothers came to church and heard a clear presentation of the Gospel.* We pray that they will continue to seek the Savior and be saved!

Great news from Bantayan Island! *The Lord has given them a church building!* Families from Pastor Walter's bible study came together and built a bamboo church building on their property. Others donated rocks for the church floor. During my visit in June, I was so blessed to see the work and help with the roofing. Thank you for praying for this church plant! This is another big step for them and we are so excited to watch God grow this ministry!

PRAYER & PRAISE:

- **June 8th was Abigail's 7th birthday!** Her birthday request this year...Ramen noodles! She's definitely a missionary kid. :) God has taught us so much as we parent this little girl and we are so thankful for her!
- **In the past two months, five teens from the youth group have been baptized!** Two were saved recently at camp and another was saved at a youth rally. *All the work that goes into these youth ministries is so worth it when you see souls come to Christ!*

We are His and He is Ours,

Chris Baran
