Dear Pastor & Church Family,

In July, we were blessed to add another family to North Cebu Baptist Church. Pastor Rackson Suico, is a local missionary and our friend! For several reasons He needed a new sending church to call home. After months of prayer and counsel, the Lord directed him to our church. Please pray for him as he is currently pastoring two churches on the neighboring island of Bohol. One is the mission work he started and the other was recently put under his care by an American missionary. They are approximately two hours apart. *As missionaries, one of our goals is to start and assist church plants. With this in mind, we are going to help Pastor Rackson strengthen these ministries, just like we help Pastor Walter on Bantayaan Island.* What a privilege to help two national pastors sent out of North Cebu Baptist Church! I've begun making trips to Bohol preaching, soulwinning, and just trying to help where it is needed! Pray the Lord would bless these works and give us wisdom as we help!

PRAYER & PRAISE:

- Summer might be over but we are still seeing fruit from our summer ministries. Many teens have been faithful in soul winning and some have even volunteered to stay late to clean the church. *All this started with decisions made at camp!* Because camp is such an important ministry, we do everything we can to make it affordable for all. So while we keep the camper fee low, the actual cost for running camp is not! Every year our numbers grow and so does our faith! :) Preparations for camp next year have already started and we are anticipating 300 plus campers! Would you please pray for camp? Would you please consider giving towards this needful ministry? If God should touch your heart to help, you can send donations to our support address. Just designate it on the check memo line: **Cebu Baptist Camp Ministry.** Over the years we have watched God use camp to transform lives and we are so blessed to take part in His ministry!

We are His and He is Ours,

Chris Baran
