Dear Pastor & Church Family,

When we first came to the Philippines, Ate Sheila and her children were one of the first families we invited to church. Now 6 years later, we have watched her and several of her children receive Christ as their Savior! For years now, she has prayed that her husband would be saved too! A few months ago, he requested to have a Bible Study in their home. He has been asking some wonderful questions and has even invited some of his friends to join us. He has come to church on occasion, which is another answer to prayer.

Please pray for Poppa Timario! Pray that he would consider Christ and find salvation in Him!

God has continued to give us ministry opportunities in the public schools! One high school is allowing us to teach a Values Class every Tuesday! We have been teaching for several weeks

now and the students have responded really well. Some of the teens had visited our church years ago as children and were happy to see us again. **Please pray that God would use this ministry to bring more teens to Him! Also, please pray that we could teach at the high school next to our church. We are just waiting for approval from the principal to hold classes every Friday!**

PRAYER & PRAISE:

• **Philip got his Filipino passport!** He's so young to be a world traveler but that's the life of a missionary kid! He got his passport before he could walk. :) Now that he has all his Filipino documents in order our next step will be to submit the paperwork for his American citizenship. Please pray for his papers to be processed quickly and efficiently.

We are His and He is Ours,

Chris Baran
