Dear Pastor & Church Family,

We were blessed to have two dear friends from home visit us. We showed them the work here in Cebu and the two church plants. Both the ministries in Bohol and Bantayan are undergoing building projects so I was excited to see their progress too! After seeing these ministries up close our friends felt the Lord was leading them to help! ***In one church they built a bathroom and at the other location they were able to help finish the building.*** Please continue to pray for Pastor Walter on Bantayan Island and Pastor Rackson in Bohol! What a blessing to see God's provision for these growing churches!

Camp is just a few short months away! We're looking for a school to rent this month so please pray that we find the right venue. ***We want to thank everyone who has helped cover costs for camp already!*** It's a huge undertaking for our church but it's so worth it when you see God work in the lives of these teens. It's not too late to support this ministry! ***If God should touch your heart to give, you can send donations to our support address.*** Just designate it on the check memo line: *Cebu Baptist Camp Ministry.* We covet your prayers as we schedule speakers, organize supplies, and recruit workers!

PRAYER & PRAISE:

• Mom Mela, my mom here in the Philippines, celebrated her 60th birthday. My brother and sister and their families came to celebrate her life with us. My mom's story is one of hope. *Christ changed her completely and now it is her passion to share the Gospel with others. Praise the Lord, my sister-in-law was saved while they were with us!* Please pray they find a church in their home town so they can grow in their walk with Christ!

We are His and He is Ours,

Chris Baran
