Dear Pastor & Church Family,

It's so encouraging to see God's hand all over a situation! I was busy running errands one day and happened to meet the Mayor of Ubay. One of our missionaries, the Suico family, lives in Ubay! In fact, our family has been assisting them as they remodel their church and reach out to the community. Meeting the mayor was such a unique opportunity from the Lord. We had a great talk, so the next time I was in Ubay, Pastor Suico and I, visited him. Because the Mayor remembered our earlier meeting, we had no problem getting in to see him.

Pastor Rackson invited him to join their special services and we were able to plant seeds of the Gospel! I am grateful for this divine appointment and for the Lord's work in our lives! ***Please pray that this man will be saved!***

School is over and we've entered the season of graduations! Every student with passing grades is celebrated in a moving up ceremony. ***This is a great opportunity for us to meet the families of our teenagers. We also witnessed the graduation of the senior class we taught this year in the public school.*** We were so thankful for the opportunity to share Christ and His Word with them! As for next year, God has already answered our prayers! ***The principal asked if we could teach more classes in the coming school year!***

PRAYER & PRAISE:

Elizabeth's brother came to visit us for a couple of weeks! It was so good to see him again. The kids enjoyed playing ball in the park and reading with Uncle Daniel. It's moments like these they'll treasure forever! **Praise the Lord for His provision!**

We are His and He is Ours,

Chris Baran
