## Dear Pastor & Church Family,

Another year of camp is in the books! **We had 283 campers attend from 19 different churches!** Our theme this year was 'Press Forward' and throughout the week, teens were encouraged to do more for Christ than they had ever done before. **Several young people surrendered to full-time Christian service and 8 teens asked Jesus to save them from their sins!** Camp is a lot of work; but it is so worth it when you see young lives saved and others make great decisions for our Lord! **We want to give special thanks to everyone who prayed and sacrificed for camp.** We are so blessed by your partnership and faithful support!

Our next summer program was Vacation Bible School! Our church building is small so we go to the kids and teach them in their towns. One benefit of bringing class to the kids is that many parents listen in too! **We taught over 3,000 children this year and a number of parents came to church for the first time on Graduation Sunday.** Never underestimate the power of witnessing and planting seeds of the Gospel. Please keep us in prayer as we continue to witness to these children and their families!

## PRAYER & PRAISE:

- **We are in the middle of processing Philip's paperwork so he can officially become a US citizen!** Once he obtains that he will be a dual citizen of the Philippines and the USA just like Abbie, Micah, and myself. *We will have to travel to the American embassy in Manila sometime this July so please pray that all his papers are complete and approved in one single trip.*
- **We praise the Lord for a young man who graduated from Bible college!** Bible School is not easy so we are thankful that this young man had the character to finish what he started. Now, as Charlie looks to the future, his desire is to teach children about Christ. We are so excited to watch as Charlie serves in this needed ministry!

We are His and He is Ours,

*Chris Baran*
