Dear Pastor & Church Family,

God is opening an opportunity for us to work on the island of Bohol. We are assisting, Pastor Rackson Suico, as he pastors two churches. It is our prayer, that God would raise a man to pastor one of these churches! ***Until that time, our family is committed to help Pastor Suico and the people in Bohol. We anticipate being there more and more in the coming year.*** God's timing is perfect because the church in Cebu is thriving! People have stepped up in places where we served before. Brother Ralph and his wife are doing a fine job with the teens, Brother Brendon is leading the ushers, and Brother Albert is leading the trustees. These are exciting times for North Cebu Baptist Church! This year they pledged ph51,000 to missions! ***We thank the Lord for establishing His church! As church planting missionaries, that's our goal for the ministry in Bohol also!*** To see it established for the glory of God.

During the month of October, I was blessed to visit a fellow missionary and friend, Bro. Justin Dye. He's from our home church and has started a mission work in Papua New Guinea. They hosted a tent meeting and I was privileged to preach. The devil tried to hinder the Lord's work, but the key people against us were gloriously saved! ***By the end of the week twenty people had accepted Christ as their Savior!***

Many of whom had been prayed for and witnessed to several times before! My time in PNG encouraged my soul and I'm thankful the Lord allowed me to go.

PRAYER & PRAISE

- A wonderful update from our missionaries on Bantayan Island! ***They are averaging around 60 people in their services!*** Earlier this year, they had to rent a new location but it has been a blessing. They're now on the main road and much more accessible to their people. ***Please continue to pray for the Langbid family and this young church.***
- ***God has blessed our Bible College and Institute with 15 students!*** I'm excited to be part of this training ground for future church workers. We pray that God might even use some of them to plant another church someday.

We are His and He is Ours,

Chris Baran
