Dear Pastor & Church Family,

We have seen some true victories at Victory Baptist Church! We invited a Filipino missionary to come and present his ministry to our church. Because our congregation averages around 30 I didn't expect a large offering. In truth, I thought I would need to supplement whatever was lacking to help with the missionary's travel expenses. *But this little country church gave ph12,000 which equals around US \$240.00!* We serve such a great God, *He can use something so small to show His enormous power. He just needs a willing heart.* What an encouragement as we prepare to serve in Bohol more and more.

A student from our public school ministry visited North Cebu Baptist Church! We cannot openly invite teens to church while we teach in the public school but the Lord gave us the perfect opportunity to invite this senior one Saturday. Elizabeth and I were driving through a small town and sitting right beside the road was, Heidi, one of the students we teach each week! It was one of those divine appointments that you don't want to miss. Heidi came to church the following Sunday and brought two friends with her! *Please pray that the Lord would continue to draw Heidi to Himself and that she would be saved!*

PRAYER & PRAISE

- *Please pray for camp!* We're celebrating 10 years of ministering to Filipino young people. *We praise the Lord for the salvations and spiritual decisions made over the years and we appreciate your support of this important ministry!* **Each year we plan camp by faith and each year God has supplied our financial needs.** If you want to partner with us this year, you can send donations to our support address. *Just designate it on the check memo line: Cebu Baptist Camp Ministry.* God has used camp to make a difference in the lives of so many youth and we look forward to hosting our 10th year!
- *We ask for continued prayers as we serve in Bohol.* Please pray for God's wisdom and guidance. We're so excited about the future as God opens up this wonderful opportunity for our family.

We are His and He is Ours,

Chris Baran
