Dear Pastor & Church Family,

In the weeks leading up to our furlough, we prayed that the Lord would help us bring our neighbors and “sukis” to church. Sukis are the trusted people you do business with, like the crew who always works on your car or the guy that cleans your AC unit. Not all of them came but- praise the Lord-some did! Covid has really limited our soul winning efforts in the Philippines and around the world, *but we can still reach people within our circles.* Be a missionary in your neighborhood, tell your co-worker about Christ, invite your plumber to church! *It was such a joy to see the guy who’s worked on my car for years, bring his whole family to church! Some of them even made a profession of faith! Then on a different Sunday, the lady who processes our bills came and accepted Christ as her Savior! Please pray that they would continue to come and grow in their Christian walk!*

*After some delays, we finally made it to the USA! There was so much extra paperwork to fill out and additional security checks to get through; I think even our luggage was swabbed for covid! All the hassle could be very frustrating **but through it all we knew God was ultimately still in control!*** What a relief when we finally boarded our last flight from Manila to New York City! Right now, we’re settling in and trying to adjust to the cool summer temps in New York. :)

PRAYER & PRAISE

- **Keep Elizabeth in prayer as we look for an OBGYN.** She’s 26 weeks now and we’re excited to meet baby Moriah in just a couple months!
- **Please continue to pray for us as we seek the Lord’s direction for our family.** It’s been a privilege to be a part of North Cebu Baptist Church and their journey to becoming indigenous. Now, that it’s happened we know it’s the right time to start again. We’re just praying for the Lord to open doors and to lead us to the next chapter of our ministry.

We are His and He is Ours,

Chris Baran
