## Dear Pastor & Church Family,

After a month of hard lockdowns, restrictions in Cebu have finally eased again. **The people have started to return to physical services and the church is full!** In fact, the attendance has been so great that they've asked the men to sit outside to make room for others! **Pray for them as they continue to raise funds for their building project.** Right now they have about 50% of the funds they need, which is a miracle considering how covid has affected the economy! We praise the Lord for increasing the faith of His people in this pandemic.

**We had the great privilege to see our two oldest children baptized in October.** We're so thankful to the Lord for working in their young lives. We're also grateful for our home church, Faith Bible Baptist, and the role they have played in our family and ministry. Abigail was actually saved at Faith Bible four years ago after a jr. church service. And now to see both Abigail and Micah baptized in the same church I grew up in, just blessed my heart. *I thank the Lord for a home church that is still faithfully holding to the Word and serving our Lord!*

## PRAYER & PRAISE

- **We praise the Lord for Moriah's safe arrival!** She was born on October 27, weighing 7 lbs and 15 oz. Thank you for your prayers; both Elizabeth and baby Mia are doing great!
- **Also, we praise the Lord for 6 people that will be baptized in Cebu this coming December!** What a great start to the Christmas season! May we keep Christ at the forefront of our celebration and not forget to reach out to the lost throughout this special time!

We are His and He is Ours,

*Chris Baran*
