- ◆ HEALTH & SAFETY WHILE DRIVING AROUND THE COUNTRY
- ◆ TO RAISE OUR SUPPORT BY JULY 2016
- ◆ TO BE A BLESSING TO THE CHURCHES WE VISIT

DEPUTATION

Kayleigh and I have been able to visit some great churches who are blessed to have great pastors!

In June, we visited Bradford Baptist Church. We were impressed with how Pastor Mills works with his people! He took us out to lunch and brought a man that he's been working with for a while. It was great to break down that formality that seems to go along with a special guest in your church. Pastor Mills even took time to council with more of his members after lunch with us! That is a great example to us; never forget that PEOPLE are the ministry.

In July we visited Sempronius Baptist Church, with Pastor Grimes. Again, I was happy to see a man who loves the people that he has. He pulled me aside during lunch and told me about some of his people who were there that day. He explained some of their history, where they are at now, and expressed how much he appreciated their faithfulness and love for their church, and the LORD. I am happy to see a close knit church like that. Pastors should love their flock. I believe that is in part why God requires pastors to have their family in order. A good father will be very similar to a good Pastor, and you can tell that Pastor Grimes loves his people as if they were his family.

Thank you pastors, for opening up and letting us see that! It was a great encouragement to Kayleigh and me. We are blessed to have visited and meet the people in those churches!

OPPORTUNITIES COMING UP

Our church has a Soulwinning booth at the Erie County Fair again this year.

Please pray for Kayleigh and I, as we have an opportunity to witness in the booth. Please ask God to bless this effort and to guide people to the booth who are seeking Him!

FAMILY NEWS

Adrienne's passport has arrived! She did a great job sitting still for the picture (that's unusual for her ☺).

A few weeks ago, we had to leave her behind with grandparents while we went to Canada. We're glad that she can travel with us out-of-country.

VACATION BIBLE SCHOOL

It is a blessing to be able to work with our home church in between meetings. We love VBS – it's one of our favorite times of the year!

This year it was more like an outreach than a standard VBS. We did a "Sports Camp" where members of our church coached kids from the community in a sport of their choice: Soccer, Hockey, Basketball, and Volleyball. After the sport time, we preached the gospel to them. 86 different kids came over the course of the week. It was really neat to see kids from the community come in who had never been to Faith Bible Baptist Church before!

Kayleigh was one of the directors, and spent a lot of time planning and doing "behind-the-scenes" stuff.

I was the Head Coach for Soccer. My assistant coaches and I had the largest group for sports camp. We had 26 one night!

A few weeks later, The Evans Chapel (FBBC's Church Plant) had their VBS. We had heard that it was going well, and then they surprised us: the VBS offering was for us!

We were able to make a guest appearance "under the sea" to thank them.

THANKS!

I want to thank the girls from the Old Time Baptist Church Sunday School class again.

They have encouraged my family. Its great to see girls who are interested in what God will do around the world. We appreciate the fact that they have gotten to know us. I sometimes see them at different church events and they always say "hi" and remember who we are. We are praying for you girls, that God would work in your lives and continue to grow your trust in God!

Thanks to everyone who reads our letter and prays for us, I can definitely tell that you are keeping us in your prayers. God has blessed us immensely and has protected us under His hand.
