PRAYER REQUESTS

- That we would stay close to God and minister to churches, not just put on a "show"
- Kayleigh to have a safe pregnancy, and to be well as we visit churches
- Safety with traveling in our new home!
- That we would raise 100% of our Support by the end of 2016

Praise the LORD that more churches have taken us on! We are always encouraged by that, and the excitement of PNG is building. Thanks to the churches who already support us, we couldn't have made it this far without you! It always does my heart good to raise that little thermometer on our prayer letter a few "degrees".

UPDATE:

We were able to meet with Chad Wells and his family in May. We had a great time, and were happy to see that we still get along! They gave us some great advice and information about life and ministry in PNG.

Along with all the information, the Wells helped us start a list of all the things that we need to take with us for our home in New Guinea. If anyone is interested in helping to purchase items, our Wish Lists can be found on amazon.com (Click the "Lists" on the top right of the page, then "Find a List or Registry", and then search "Justin & Kayleigh Dye"). The purchased items will be loaded into a container in Idaho, and then shipped to PNG in August.

ON THE ROAD:

We recently moved out of our house and into an RV! This has been a big move and adjustment for us, but God worked it out. We are confident that it will be a great help as we travel.

I personally did NOT think that Kayleigh would go for it, so I didn't even bring up the topic. After the Wells came through in their RV, though, she mentioned that it was a good idea. We talked about it, and did our homework on expenses comparing renting a home and living in an RV. Shortly after making the decision, we found an RV to purchase that was in our price range and it appears solid!

Please pray for us as we continue to adjust to our new pace and routine in the RV. Even though it makes sense, and we feel that God has led and provided this for us, I still feel they are impractical! It's as if you take everything that can go wrong in a house, and marry it to everything that can go wrong in your car! Don't get me wrong, I love it and I'm confident that it will help us, but there is a lot of responsibility involved.

We love it, and we thank God for it.

We have raised
35%
of our Support

Our first big trip in the RV was down to Georgia for our mission board's annual Candidate School. It's a long, tiring week (preaching starts each day at 8:30am!), but we love seeing our Word for the World family. My sister stayed with us during the week and attended the meetings as well, and she said several times that she wants to go back every year, and wishes she was a part of the WFTW Family!

I always explain to people in our church that it is like teen camp, but for adults. No fun and games, but being able to come away for a week and meet with God is just so good! It was definitely a help this year, and we were able to meet and talk with some other missionaries going to Papua New Guinea. I always love talking to the people who are already there.

FAMILY NEWS:

We are getting ready for the arrival of Juliette! Just 8 weeks (give or take...) to go!
 Kayleigh has been a champ on the road while being pregnant, and the LORD has given her a problem free pregnancy so far. Adrienne is excited about her sister. Hopefully that excitement stays after sister arrives. :)

Please continue to pray for us, and that Kayleigh would deliver safely. God has been so good to us. We haven't gotten sick on the road, and God keeps us comfortable too! I know that this is because we have faithful prayer partners. Thank you SO MUCH for all you have done for us so far!
