REQUESTS

- For our visa paperwork to be accepted in a timely fashion
- That we would be wise with our time as we pack, do paperwork, and continue deputation
- For our RV to sell at the right time
- For us to raise the rest of our start-up funds

Praying friends,

Thanks so much for keeping us in your prayers! We are almost ready to go. Our support has been coming in from many different places, and God has been providing as we near the time to leave. We are still waiting on our visa approval from the Papua New Guinea government. Although it's easy to be impatient, we know that God has us in his care, and we can see how He is providing while we wait. We are very excited to be able to pack up and leave for the field, and we are so blessed to be able to serve our God.

While we are waiting for our visas, we have begun sorting and packing some of the things that we wish to take over. We've had meetings scheduled close to home and that has allowed us to work on those things during the week in between travel. We also have received instructions for what we will need to submit next in the visa application process. We have to get medical examinations for all of us.

As we are nearing our departure, we are wrestling with some logistical things. Please pray that I would be able to sell the RV that God has given us for deputation. It's been such a blessing! We've never had to have it towed somewhere for repairs, the engine has worked perfectly, we've only had one "expensive" repair (which God provided the funds to pay for it), and it has helped my family through deputation. It has been our home for a year and a half, but now it's time to say goodbye. Please pray that we get a fair price for it. Please pray that it would sell at the right time. It has been our vehicle AND home and we need to get a temporary vehicle and place to sleep while we transition from deputation to the field. By the way, if any of you are interested, please feel free to send me an email or get in contact.

We were blessed to be a part of our home missions conference this year. It's been a few years since we've been able to be there for all of it. What a blessing the preaching and missionary testimonies were to us! God worked in my home church in an awesome way! He dealt with me about remembering that the work we are involved in requires faith. Its easy as we go along to plan out everything as best as we can, prepare for all sorts of eventualities, and forget to trust God. I needed that reminder. God is such an awesome Father, and we are in His hands. What a great reminder to trust in His direction and provision. Please pray for us that we will be sensitive to God and reliant on Him to do that work that we can't. It's such a delicate balance between prudence and hard work, and remembering that He is the one that grants safety, works in hearts, and ultimately does all of the spiritual work.

Its crazy to look back on how much God has done for us on deputation, and we can trust Him to continue to work things out for us. We know that these needs will be solved, and we look forward to seeing how God deals with them. Please keep in prayer our visas; pray that they would be approved and that the timing would be perfect. Please pray for us as we handle packing, getting our medical examinations, and continuing to present at churches. Please pray that our RV would sell and that we'd have a vehicle provided to use in the interim.

Thank you again for faithfully taking us before our King! We wouldn't be here without the prayer support that so many of you have provided to us!
