PRAYER REQUESTS

- The final stage of our visa paperwork to be approved quickly
- For our RV & Truck to sell
- Choosing & booking flights
- Final preparations & purchases

Dear Friends,

Exciting news! We were finally approved for our Work Permit. This is what we have been waiting for during the last 18 months! All we have left to do is deliver our last set of paperwork to the embassy in Washington DC. According to other PNG missionaries, this step takes just a few weeks. We are definitely excited and relieved that the waiting game is just about over. We have been in contact with the Wells family too, and they are just as excited to finally have us coming! We are looking forward to getting in country, moving into the house that has been provided for us, and getting to work.

We've made the switch from traveling to packing and sorting stuff, along with making the final purchases we need before leaving for the mission field. We are also moving out of the RV. We are staying with family temporarily while we try and sell the RV and our vehicle. Please pray that we would be able to liquidate those quickly. I know we tried selling stuff last year, but clearly God was looking out for us because deputation wasn't finished yet. We are confident that God can help us sell the RV and our Tahoe now that He is moving us forward.

We are looking at dates to leave. So far it looks possible to book tickets for the first week of December, and if we don't make that window, we will probably leave mid January!

It's bittersweet to try and leave during the holiday season, but our families (including our church family) have never wavered in their support for us; we are so thankful for the strength they lend with encouragement and resources.

Please pray for us as we work out which flights to choose and when to book them. God has provided our ticket money through a few churches and we are so thankful for that. We are working out how many extra bags to take, and what to take with us. We are thankful that a good portion of things for our house was already sent over two years ago, and that greatly reduces the amount we have to take on the plane.

We are also so thankful to you who have remained faithful in prayer and support for us. We have not lost a single church's giving for us during the last year and a half. That's a blessing that is surprising to some of our missionary friends. Thank you so much; you have all be encouraging to us!

-Justin Dye

PS: I don't want to make our prayer letter a craigslist page, but if there is anyone who is interested in purchasing our RV from us, just email me. We can work out details. I'm willing to deliver it out of state if need be. We are very accustomed to traveling with it.
