## PRAYER REQUESTS

- Learn Tok Pisin to more effectively communicate with people
- For our family and the Shells as we continue to adjust to life in PNG and hold down the fort while the Wells family is in the USA
- Services in Kumiane
- Next month's Pastor's School, March 26-28th

Friends and Churches,

What an adventure the last two months have been. Thank you for all who prayed for our travels. We arrived safely, on time, and with no lost luggage! We took a week to purchase all of the appliances and supplies that we would need for the first month, and then we made the 3 hour trip to Pangia, home. It is beautiful here. It's also very nice weather! We left a frozen Buffalo NY behind and got 70s! God is good.

One of the benefits of working with other families is that we got to jump right in. We were able to begin preaching at some of the established churches, which has been a blessing. We also were able to go to Erave, and put on a tent meeting. There is no church in Erave. The people there are lost or confused by religion without Christ. We had about 1,000 people every night of the 4 day meeting. Most in the tent were not saved. We had 53 people make professions of faith after being counseled by an altar worker. There were more that came down who didn't get saved or dealt with God in other areas. God blessed the preaching of his word. Many people throughout the week mentioned that they had never heard preaching like that before. God's Word is powerful! We also handed out Bibles to the Erave high school. We were able to distribute over 450 to students and staff. A few hundred of those students attended the meeting as well, and some were among those that got saved.

We also had a 2-day Pastor's School back in Pangia. We are trying to have one a month, and bring in national pastors so we can help them learn doctrine and some deeper things. We are trying to build on the Bible education they got

before going into service as pastors. There are not many resources for them to read or grow with besides the input from their missionary. We had over 50 pastors attend this month! Please pray for next month's meeting. It will be March 26-28th. I will be trying to translate some material from our church in the future to bring to them and help ground them. Please pray that these men would grow to where they are confident in discerning God's Word for their churches and people.

The Wells departed for a 2-month trip back to their sending church to teach and preach in a family conference. Please pray for us as we continue here with the other new missionary family, the Shells. We had about 6 weeks to get up to speed on living in PNG. Both families are taking care of different ministries around here. It is a blessing that the ministry can continue while the Wells are in the States.

Please pray with me about starting a church in a village called Kumiane. A man named Wiru has agreed to give us some land to meet on and perhaps build a church. We will be going every Sunday and Wednesday to have a service there. We have not had a true service there as of yet, but the Gospel has been preached and Wiru's son, Simon, has been saved! We are excited to start this church, and we are looking to God to see what he would do with this village! Please pray for favor in the people's eyes, and pray that God would call many souls to him as we lift His name up among the lost.

As always, thank you for your prayer and support. We are here because you bring us before our King, and are faithful to provide for us.
