November 2022

Please pray for:

- Construction on the Kumiane Church Building, and our new clinic!
- Some of our youth group kids and new visitors to get saved.
- Special services for Christmas and New Years

Prayerful Supporters,

Can we just say how awesome God is? Thanks for praying for our marriage conference. It was great! We saw eyes open to what God's expectation of marriage is, and we were able to teach them that marriage can truly be a source of blessing and happiness in your life. PNG marriages look different on the surface, but the root of selfishness has poisoned many relationships from the start just like we have in the USA. God worked, and we even had one of the husbands who came get saved! We had been praying for him for a year to get saved!

We held our first ever missions conference in Kumiane. We asked Dala Momo (Missionary to the Aboriginal people in Australia), Bobby Kipoi (Missionary to Indonesia), and Dominic Kelly (Missionary to Solomon Islands) to come present their works to our church. They are each Papua New Guinean missionaries. We taught our people to win souls here, and give to support missions where they cannot go. It was awesome to see God work in our hearts and show our people that they too can give to the Lord for his work. We were able to promise to give this next year around \$1,250 to our missionaries. We are excited to see how this grows and changes how our people walk with the Lord as this service is the fast track to knowing the provision and care of God!

Missions Conference! The church was full each night, and everyone was dialed in and responsive to the preaching!

As we go into November, these next few months will be when we will be able to tackle these construction projects in full force. We did some cement work as prep and we can begin to stand up some wall soon. It's going to be exciting.

As of this letter, we are finished with our first year of Bible College! It has been a learning experience for all of us. The students have done very well taking in all the teaching. They are definitely being asked to absorb quite a bit of info. They were also required to read their Bibles in its entirety in about 32 weeks. For most, it was their first time reading it front to back.

We are bringing our weekly youth group to a close as the school year finishes. We will have a one night camp for all of the kids this week. It will be a time of fun and a bit of a reward, but we have a few hold outs who have not gotten saved. Please pray that these young kids would accept Christ as their Saviour.

We will also be having a few special services through the holidays. Please pray that our Christmas and New Years services would have people come to know the Lord as well! We've had many visitors over the past few weeks in Kumiane, but we have a strong sense of religion holding up people from accepting Christ. We would appreciate prayers for these services and for our Sunday services. Some are so close. We even had a Communion service and people willingly refused it, knowing that they aren't saved. We are hoping God works on hearts the way that only He can!

As always, thanks for reading and praying! We need that support from you as we labor over here in PNG!
