January 2025

Greetings Comrades in Arms,

Thank you for your prayers for the closeout of our term. We had two graduations in our final months. First was for our Bible school. We were able to graduate 14 of our students. There are about 15 who had just started their first semester or who will graduate next year. As we have been back in the USA for the last few weeks, we are encouraged that our students jumped right in the action at our area's local end of year Baptist Fellowship meeting. They helped work counseling at the altar and helped 71 people trust Jesus as their savior after the many services! These men and women who have been equipped with Biblical foundation have a large part in the coming work in our area.

We also were able to preach for the Pangia Baptist Missionary School graduation. This year had the highest enrollment to date and Justin was able to preach a clear salvation message to the unsaved family members of our student body. The day went well, and while no one responded to the invitation that day, we know that many of the students have been saved this year and they may get very good opportunities to witness to their family further.

We had an excellent time with our family and our home church family through the holidays. God allowed us to be back for Thanksgiving, and our pastor requested that we rest for December and January. This time has been wonderful and sweet.

Please pray for:

- Us to be a blessing to our home church during January.
- A good deal on the right RV for us.
- A healthy pregnancy and delivery for our 4th baby.
- The Church in Kumiane to stay faithful and grow closer to God during our absence.

Please be in prayer as we will be ministering to our home church family on the Sunday nights of January. Please pray that we can be an encouragement and blessing to our people in Buffalo, NY. It is an honor to be able to labor for them. Our lives and ministries are all in PNG, but a part of our heart always wants to see America and Buffalo honor God.

In February we will be hitting the road to begin reporting to our churches. We are looking forward to seeing all of you to declare what God has done in PNG!

Please be in prayer as we are in need of an RV. We are trying to find the right deal on what would be best for us. God knows what we need, and we are trusting Him to provide suitable transportation for this furlough and future returns to the USA as well!

Last, Kayleigh is expecting! She is due on April 6th with our next child! The doctors think it is a boy and we are so excited for the new addition, especially Justin who has been outnumbered since the get-go! Please pray that this all goes well, and that our presentation schedules will work out with delivery and recovery as well!

Thank you for your continued prayerful support of our family!

The Dye family
