WORD FOR THE WORLD BAPTIST MINISTRIES

November 2026

Please pray for:

- Campaigns for Christ in Morobe Province, November 10-20. Pray for safety and logistics. Pray for God to work and people to get saved!
- Revival Meeting in Pangia in December

Greetings brethren,

We are so happy to report that our container arrived safely in Pangia! Thank you so much for praying for this endeavor. Much supply has been sent for our ministries. About one third of the contents were for the clinic and much was sent to assist in our outreaches as well. We were also able to send some upgrades for our house and the addition that we need to add as our family has grown. There were instruments, school supplies, and even some heavy equipment. Praise God that everything came quickly and just about everything came undamaged.

We were able to participate in the Pangia Baptist Missionary College graduation this past week. The students who graduated had started in our last year before our furlough, and it was a huge blessing to see them stay faithful while we were out on furlough. Watching these men and women who have improved their marriages, have begun to raise their children, finished their bible studies with us, and who are active in ministry in their churches was a blessing and encouragement to us! So often we can get discouraged with day to day problems and forget how much God has already done in the lives of our people. We are so excited to see where God takes them and how he uses them.

We are also excited to be back and ready to start PBMC classes again this coming year. Please pray as Justin takes on a larger load teaching as our lecturers are cycling out. Please pray as we add new students into the cycle as well. We believe that God uses these courses to help men educate for the ministry and it helps men and women who may never become preachers or pastors to ground themselves in the Bible and get active in their own churches.

Please be in prayer for us over the next 3 weeks as we will be traveling down to Morobe province to work with Campaigns for Christ to distribute tracts, scripture, and invitations to nightly evangelistic services hosted by local churches. Please pray that people would come. Many times to our Papua New Guineans they feel different denominations are another tribe that they have no business joining. Sometimes they can feel very ashamed of the sin they know they are participating in. We know that the answers to that shame and that feeling of not belonging all can be found in Christ. Pray that they would come anyways. Please pray that God would work powerfully. We all know that there's nothing we can preach that could pull them into salvation and that God must work. Pray that we don't hinder the work of God, and pray that our people would respond spiritually and come to Christ. Please pray for safety and the logistical things to be handled. There will be a large group of expats traveling in to help, and there will be several buses worth of people from our area traveling down to help. There's a lot of potential for things to go wrong, but there's also so much potential for God to work.

Next month there will also be a revival meeting up in Pangia with all of the Baptists our area. Please pray that God would work in all these things as well. Pray that we would see churches helped and reinvigorated to do more for Jesus this coming year.

As always, thank you so much for your prayers for us. We appreciate that you take time to intercede for us and the work here.

The Dye Family
