It's time to build the next bonfire! We hope to have a fire and fellowship after church some evening soon!

Blacktop Fund Drive

\$7,800.00	total needed
\$2,697.40	received
\$5,102.60	needed

We're about 35% of the way there. Pray! All gifts should be designated "blacktop".

Getting this done this year will save us some major work and expense in the future. We will commit to sealing the new blacktop at least once a year to preserve it for 20 years!

Concerning the Other Property:

Praise the Lord and thanks to all who have given. We have now paid \$10,000 towards the \$35,000 we owe for this 1.5 acres on Hemlock Road. The rest of the money will be paid in \$5,000 lump payments, and is due by March 2010. The owner is holding the mortgage at 0% interest.

The Homeschoolers' Year-End Picnic is at the Chestnut Ridge Park on June 20, beginning at noon. See Jen O'Mara for details.

The Men's and Ladies' Meetings at 5:30pm on Sundays will be adjourned during the months of July and August. We look forward to an active summer of Junior and Teen camps, the Rocket Launch, the Eden Corn Festival, and witnessing at the Chautauqua and Erie County Fairs.

We are looking for help painting the wall of the factory. We have the paint and a sprayer available. This will be a good testimony to the owner and the community.

Make a Note!

The Annual Church Picnic will be at the New Oregon Park on Saturday, July 15, beginning at 10:00am.

A head office executive who, in the course of his travels, spent the night in a rural pastor's home was awakened in the morning by a soprano voice softly singing "Nearer My God to Thee."

He meditated as he lay in bed on the deep piety of the minister's wife to begin her day in that way, and commented on it at breakfast.

She replied, "Oh, that's the hymn I boil the eggs by - three verses for soft boiled, and five for hard boiled."

Words of Wisdom for Fathers

A Little Fellow Follows Me

A careful man I want to be,
A little fellow follows me;
I do not dare to go astray,
For fear he'll go the self-same way.

I cannot once escape his eyes.
Whate'er he sees me do, he tries
Like me he says he's going to be,
The little chap who follows me.

He thinks that I am good and fine,
Believes in every word of mine.
The base in me he must not see,
The little chap who follows me.

I must remember as I go,
Through summer's sun and winter's snow;
I am building for the years to be
That little chap who follows me.
