Men's Field Trip

On July 1 we will load our bus with all men and boys present at 8:15 am and head to the historic Prospect Avenue Baptist Church for breakfast and preaching. There will be singing, fellowship, and prayer time on the bus rides there and back.

Next Sunday Evening is Graduates night. If you know of any high school or college graduates in our fellowship, please let Pastor know. Please bring refreshments for after the service.

Bus Drivers Needed. The church will be running its second bus again soon. We are in need of more men and women to get their bus drivers license. See Mr. Frank Broughton for a starter kit and information.

The Christian Home

How God must love a friendly home
Which has a warming smile,
To welcome everyone who comes
To bide a little while!

How God must love a happy home
Where song and laughter show,
Hearts full of joyous certainty
That life means ways to grow!

How God must love a loyal home
Serenely sound and sure!
When troubles come to those within
They still can feel secure.

How God must love a Christian home
Where faith and love attest
That every moment, every hour,
He is the honored Guest!

If you are a teen or adult lady interested in working in our church nursery, please see Pastor Kohl or Jackie Kennedy.

Parade magazine reported (May 21, 2006) that the average median price of a home in the United States is \$213,000. Yet in Western New York the average median price of a home is \$99,000. What a blessing to be able to live in this part of the country. Housing in our area is the 7th lowest of all the metropolitan areas in the country. Have you thanked God for this?
