The United States Economy has increased 20% in the last 33 months! Quit reading the newspapers America and rejoice! That is as much as China's total annual economy. Wow, what an economy.

The Fruits of the Spirit

We have come to the time of gathering in
The ripe fruits of the tree and field,
And our land has been blessed, in spite of its sin
By a rich and bountiful yield.

But what of the fruit of the Spirit today-
We have labored to plant and reap-
have we taken the time to watch and to pray,
That our souls a rich harvest may keep?

Do we show in our actions, the spirit of **love**,
As we deal with our fellowmen?
Do they see that our lives have been born from above,
Redeemed from all traces of sin?

Do we have in our souls that unspeakable **joy**
Unbroken by sorrows without-
The joy that will triumph, though Satan annoy,
And when in the conflict with doubt?

Are our spirits possessed with a God-given **peace**,
A peace that the world cannot give-
That holds the life steady and yields sweet release,
While here on God's footstool we live?

And where do the fruits of **longsuffering** grow
The fruit that's delicious and rare?
Do we from our hearts gladly give and forgive,
And oh! can we bear and forbear?

Can the world see the fruitage of **gentleness** there,
When they look to see Jesus in you?
Do we show out His **goodness** in acts that are fair,
From a heart that is honest and true?

Oh, let us contend for the **faith** of saints,
That stands through each trial and test;
And may we have **meekness** through petty complaints,
And in lives of **temperance** be blessed.

The Fruit of the Spirit will grow in the heart,
If Christ in His fullness is there;
Let us bid Him to enter and never depart,
But seek His grace always in prayer.
