Where Have Those Lips Been?

According to a radio report, a middle school in Oregon faced a unique problem.

A number of girls were beginning to use lipstick and would put it on in the bathroom. After they put on their lipstick, they would press their lips to the mirrors leaving dozens of little lip prints.

Finally the principal decided that something had to be done. She called the girls to the bathroom and met them there with the custodian. She explained that all these lip prints were causing a major problem for the custodian, who had to clean the mirrors every day. To demonstrate how difficult it was, she asked the custodian to clean one of the mirrors. He took out a long-handled brush, dipped it into the toilet and scrubbed the mirror. Since then there have been no lip prints on the mirrors.

Try thinking of this story when you're tempted to sin. If you could only see the real filth you'd be kissing, you wouldn't be attracted to it.

Quotes from Dr. Don Green at Camp Meeting this week:

"At least no one has ever called me an 'illegalist'."

"There is no prayer too hard for God."

"Getting rid of your TV won't cause you to lose your family, it will help you save it." (Note: Bro. Green is about 80 years of age. He has never had a TV. His 5 sons are all preachers and his daughter is married to a missionary. He did not lose one child to the world.)

New Sunday School Class

For Teens or Adults - 3 Weeks Long - September 10, 17, & 24 @ 9:50 am

Mr. Frank Broughton will teach from a Biblical point of view on "The Believer, Computers, and the Internet." This course will expose the extreme dangers of the internet and how to protect yourself from its filth and unwanted advertisements. See him for details.

Don't have a computer? Your kids probably do or will. Never been on the internet? Your kids probably have or will? Do not be ignorant! Turn it into a good tool.

The dangers of wasting time will also be discussed and so much more.
