### October's Verse:

*"And when he was in affliction, he besought the LORD his God, and humbled himself greatly before the God of his fathers, And prayed unto him: and he was intreated of him, and heard his supplication, and brought him again to Jerusalem into his kingdom.*

*Then Manasseh knew that the LORD he was God."*

2 Chronicles 33:12,13

## Missions A Lunatic Project?

The British East India Company said at the beginning of the nineteenth century: **“The sending of Christian missionaries into our Eastern possessions is the maddest, most expensive, most unwarranted project that was ever proposed by a lunatic enthusiast.”**

The English Lieutenant-Governor of Bengal said at the close of the nineteenth century: **“In my judgment Christian missionaries have done more lasting good to the people of India than all other agencies combined.”**

## The Physician and the Preacher

This is the reality of the Gospel. Some years ago a preacher was walking home. A prominent physician, passing in his car, stopped, and offered the preacher a drive. As they rode on, the physician said, **“I am surprised that a man of your intelligence should believe as you do.”**

**There was silence for a moment. Then the preacher said, “Doctor, suppose that some years ago some one had recommended to you a prescription for cancer. Suppose that you had the dread disease, and took it as directed and were completely cured. And suppose, Doctor, that you had used that prescription in your practice ever since, and had never known it to fail when it was taken according to directions. What would you think of a man who was dying with cancer and who refused your prescription?”**

**“I would say that the man was an unpardonable fool.”** replied the doctor.

**The preacher continued. “Doctor, twenty years ago. I was a lost sinner, dying in my sin. I tried the Gospel of the grace of God. It made a new man out of me. Since then I have preached the Gospel to others. Whenever it has been believed, it has changed people. I have never known the Gospel to fail.”**

**“Preacher,” said the doctor, “you have caught me. I have been a fool.” Then and there the doctor received the Gospel and he, too, became a new creature in Christ Jesus.**

This Gospel will do the same for you if you desire to be saved. It cannot help good people. It can only save sinners. All sinners are invited to come just as they are and if you count yourself one of that number, come to Christ. He will save you today.
