History of 253 Converts

Dr. Horatius Bonar said concerning the spiritual history of 253 converts with whom he was familiar, "Saved under 20 years of age, 138; between 20 and 30 years, 85; between 30 and 40 years, 22; between 40 and 50 years, 4; between 50 and 60, 3; between 60 and 70 years, 1; over seventy, NOT ONE!"

After Age 35

Dr. M. R. de Haan once quoted these startling figures: "After the age of 35 only one person in 50,000 receives Christ; after 45 only one in 300,000 and after 75 only one in 700,000 is converted."

Take 1,000 Christians...

Take a congregation of 1,000 Christians; divide them into 5 classes, according to the ages when they became Christians. Of this thousand, there would probably be 548 converted under 20 years old; 337 between 20-30; 96 between 30-40; 15 between 40-50; 3 between 50-60 and 1 between 60-70.
